FATHER'S DAY TOOL BELT CARD - TOOLS

Card Directions:

Print tool belt on tan-colored cardstock. Cut out tool belt pieces and glue together where shown. Fold on small fold marks, accordian style, making the Happy Father's Day pocket the front cover.

Print tools on light gray-colored cardstock. Print and cut out tools, then insert them into the pockets.

Don't forget to fill out the special helper jobs. Dad will love this personalized card!
